

## UCI Process for Supervised Visits and Neutral Exchanges

UCI provides neutral exchanges and supervised visitation. Each party/parent must complete an intake session before the visits can begin. Each person completes the Intake session at their own date and time which is scheduled with the Program Manager or Director.

The frequency, timing and scheduling of the visits are determined and arranged by UCI staff and these arrangements free you from needing to deal with the other party. We do expect cooperation from both parties to facilitate visits for the benefit of the children.

Visits are scheduled and paid for in advance by a week to aid in sufficient staffing on weekends and other busy times, we will schedule the visits and exchanges based on what time is available in the program schedule and will meet both of your needs.

Fees for services must be paid when the appointment is scheduled and received a week prior to the visit. Missed appointments or cancellations with less than 48 hours are non-refundable.

Currently, UCI is open for visits and exchanges six days a week with Intake appointments on Tuesdays.

We look forward to working with your family. We have three steps at our front door and are therefore not handicapped accessible. We are on the bus line in Salem with a bus stop one block away. Please see our website for directions and a picture of the property. [www.uppercircle.com](http://www.uppercircle.com)

# **COST OF SERVICES**

## **Fee Agreement**

### **Payment Responsibility**

Court ordered families are assigned payment responsibility by the court. Other referring agencies may indicate in writing who will be responsible for payment. If the referring agency does not indicate who will be responsible for payment, the UCI will assign financial responsibility. Services will not be provided until a fee agreement is signed by both parties and the initial payment is received.

### **Cancellations**

All cancellations must be made at least 48 hours in advance of a scheduled appointment or visitation. Parents are not charged if proper notice is given this is expected during business or supervision hours. The party who cancels outside of this timeframe will be charged the full visitation fee, regardless of which parent is responsible for visitation costs.

### **No Show**

A party who fails to arrive for an appointment and has not notified the Center will be charged the entire amount of the service. Rescheduling of visits will depend on the Center's availability and cannot be guaranteed. Two cancellations without notification will result in termination of services and notice will be sent to the referring agency. Services may be suspended or terminated due to non-payment.

### **Court Testimony**

A retainer fee of \$1000 is required in advance to the party issuing the subpoena, with an additional \$200 per hour fee for preparation, with a minimum of two hours preparation for court. It is understood that no further information is generally available or useful outside of the Observational Monitoring Sheets which are prepared and submitted to the Court, creating no need for court testimony since UCI make neither recommendations nor interpretations of the visits.

All fees will be paid by cash, cashier's check, money order or Visa/MasterCard. Payments are paid in advance of the next visit. Payment for the next visit is made at the time of the current visitation/exchange. Any charge cards being used will need to be in your possession and a separate form filled out for on-going use for the card for regular billing.

### ***Payment for Visits***

All fees are required one week in advance of the visit. We believe this is thoughtful to the children and the other parent in scheduling. It also provides both parents the advance planning necessary to save the money and also to plan the visit. I am showing my commitment to visiting with my children by consistently paying for my visits in advance to regularly and routinely have contact with them.

**Upper Circle Inc. (UCI)**  
Supervised Visitation & Exchanges

**Overall Policies and Procedures**

1. Visitation supervision services do not constitute therapy, counseling, or any other professionally licensed activity. For this reason, any records generated by UCI staff arising from visitation supervision are *not* confidential under the law. I hereby release UCI staff to make copies of any and all of these records for the other parent, his or her attorney, the court, DHS, or other representative.
2. UCI staff members are mandatory reporters of suspected abuse, and serious threats to do harm against others, if we are concerned we will make a report, we are not investigators however, we are observers and will report what we observe and let the investigators do their work. UCI works with all clients including sexual abuse case referrals.
3. UCI cannot begin or continue a supervised visit if either party knows or has outstanding arrest warrants against them until it has been determined it is safe to begin or continue visits.
4. It is the policy of UCI that there will be *no contact* between the custodial and visiting parent while on, or within, walking distance of UCI property before, during, or after a visit. Always use the parking area and follow the requirements for the visit arriving and departing on schedule.
5. UCI staff shall not act as a go-between on any adult matters that are not pertinent to their UCI role. UCI will only transfer the following child related information: *health information, medicine, and favorite toys/food.*
6. Scheduled visitations or exchanges at UCI may not be used by either party as an opportunity to serve legal papers.
7. Visitation Staff and parents will not talk about any aspect of the case/situation in front of the child.
8. All clients are self-pay; payment for services will be paid directly to UCI in the form of cash, money order, cashier's check, or credit card a minimum of **7 days** before the visit.
9. All scheduling must be completed **by 5:00 PM the week prior** for visitations planned for the following week (Exception for Holiday closures). For weekend visitation it is required that Saturday and Sunday visits are arranged no later than Friday the week prior, with payment made a week in advance. **It is the responsibility of the parents to contact Supervised Visitation to arrange a visit.**
10. We have a no-tolerance policy to lice and their nits in hair. Visitation Staff reserve the right to check a child's hair if they have reason to believe the child has lice. Visits will be immediately cancelled upon the discovery of lice and nits in a child's hair for the safety of other children and their family.
11. In consideration of the visitation supervision services, parents agree to release UCI, its employees, agents, officers, and directors, from any and all claims arising there from, excepting only those arising from intentional malfeasance. This release covers specifically, but is not limited to, claims arising from a visiting parent's departure with the minor child/children from agreed upon visiting site. UCI staff cannot, and will not, attempt to physically prevent the visiting parent from leaving with the child/children. UCI staff will call the police immediately if a threat of this nature occurs.

By my initials I recognize that these items have been explained to my satisfaction and complete understanding \_\_\_\_\_.

## Before the visit

1. Punctuality is very important. Anyone tardy to visits or pickups will be charged accordingly by the minute. Tardiness is reported to the court, and repeated violations will result in termination of visits.

- a. If the entry door is locked, do not try another entry. Staff will come at the appointed time to open the door and let you in for your visit, we are mindful of the safety and security of all here.
- b. The visiting parent must arrive 15 minutes before the scheduled visitation time and remain until the Supervising Monitor excuses you to leave. A visiting parent who is late will have a fee imposed and/or the visit cancelled. For exchanges, whoever does **not** have the child arrives 15 minutes early.
- c. The Custodial parent is to arrive no earlier than 5 minutes before the scheduled visitation time.
- d. If either parent is late these are the amounts that will be charged: 5 minutes or less: \$10.00; 5-10 minutes: \$18.00; 11-16 minutes: \$25.00. More than 17 minutes late, no further visits are scheduled until the case is referred back to court.
- e. A parent is considered late when they arrive any time after a scheduled visit. When you are 15 minutes late the visit is cancelled. If the waiting parent wishes to complete the visit past the 15 minute cut-off then staff will accommodate to the end of the ***original scheduled time***.

1. To cancel visits/exchanges call the Visitation Supervisor at least 48 hours prior to visit. All cancellations by either party made within less than 48 hours' notice will be billed at full price to the cancelling party.
2. Approval from the Visitation Supervisor, Custodial Parent, and Child must be given for immediate family members to have their own separate visit or they must be included on the Court papers authorizing the visit.
3. Failure to meet the requirements of other programs ordered by the court may result in suspension of visits, this includes probation/PPS, DV programs, D & A, Bench Probation, SA, etc.
4. Gum use, Tobacco use and weapons are not permitted on the premises including the entire physical property. Anyone entering UCI premises may be subject to a search of their person and parcels to ensure they are unarmed.
5. **Peanuts:** Due to the frequency and danger of Peanut allergies NO peanuts or peanut products are allowed on UCI property. If your child is allergic to peanuts please note this on your Health Form for your child. The EPI Pen must be brought to the visit EACH time and placed in the FIRST AID kit on the wall in the waiting room. Failure to bring the EPI Pen to the visit will automatically cancel the visit and the full charge will be incurred by the Custodial Parent for the cancellation and another visit will be scheduled for that week to comply with the visit schedule. You may permanently leave an EPI pen at UCI with your child's name on it in the kit or cupboard.

By my initials I recognize that these items have been explained to my satisfaction and complete understanding \_\_\_\_\_.

## During the Visit

1. Cellular phone usage will not be allowed during the visit. Phones must be left in your vehicle. For those using the bus, please turn off your phones and place them in the basket designated for them in the room along with your car keys.
2. NO photos will be allowed during visitation. No audio or video taping will be allowed. UCI staff will not take pictures for you during the visit. Only pictures of the children provided by the visiting parent are allowed to be brought to the visit. No pictures are allowed to go home with the child unless it is a photograph of only the child.
3. *Termination*: UCI Visitation Attendants/Supervisor has the authority to immediately terminate a visit/exchange in the event she/he believes it to be in the best interest of the child(ren) to do so. The decision is final, immediate, and non- negotiable, a report will be submitted to the court.
4. The Monitor/Supervisor will document observations of the visit but will not make any judgments regarding the quality of the interactions or about the effects of the contact between parent and child. It is the sole responsibility of the visiting parent to parent their child(ren) in all aspect of this role, including: diaper changing, toileting issues, discipline, feeding, reading, picking up toys, playing with them and interacting, etc.
5. You are responsible to interact appropriately with each child during the visit based on their age and level of functioning.
6. Since you are referred by the court and all of your interactions with the child(ren) are being noted and reported to the court, you are expected to present “court behavior” while at UCI and interacting with your children and staff.
7. Staff members are not your friends, confident or helper, we are here to monitor and report on your behavior and interactions with your child(ren) while at UCI. Do not solicit personal information from staff or attempt to engage in discussions with them before, during or after your visit. Your conversation and discussion will be recorded in the Observation Notes.
8. Animals: Presently there is a therapy pet at the office, a cat. Please inform us if you or your child is allergic to cats and he will not be allowed in the room with you or your child.
9. **Gifts**: Must be approved two weeks prior to the visit by the Custodial Parent and UCI program. The Gift Form must be completed and submitted to UCI staff allowing for the two week time period for processing. Additional charges may be applied depending upon the amount of time required to arrange this approval process.
10. Gifts are allowed to be given to the children on their birthday and celebrated holidays. You may ask the visitation staff for clarification on your specific case. An answer may not be immediately forthcoming depending up on court documents and the Custodial Parent input.
11. A maximum of \$100 cash or cash card may be given per child in a visit.
12. We do not transfer child support payments or provide other paperwork between parents.

By my initials I recognize that these items have been explained to my satisfaction and complete understanding \_\_\_\_\_.

## After the visit

1. If there is a Restraining Order in effect and the visiting parent leaves before being excused, the court will be notified of their violation of the Restraining Order.
2. Visiting Parents are responsible for restoring the visitation room to its original condition (pick up toys, clean off surfaces, wipe off table, pick up and throw away trash, etc.).
3. Financial costs for damage done to UCI property due to a parent failing to properly supervise or parent their child will be the sole responsibility of that parent.
4. All written reports, letters, and conversations with attorneys, therapists, or others in regard to this case will be billed to the agency at \$60.00 an hour.
5. If either parent requests copies of visitation notes they will be charged a \$5.00 a page fee. This fee must be paid in cash before the copies are made for them to take or sent to others.
6. If the visitation notes need to be faxed to the court/mediator or others, there is a \$5.00 a page fee for this service, which must be paid in cash prior to the documents being sent.
7. Billing: We do not engage in billing or providing you with a statement, you are paying for services in advance of obtaining them. We will provide you with a printed list of the fees you have paid for the visits and any additional charges you have accrued while working with UCI.
8. Following the visit you may schedule your next visit and make your payment for this visit before leaving. We do not have the ability to make change so please bring the exact amount for the visit and also any additional amount for notes, reports or conferences.
9. We are not providing therapy, counseling, or parent training, nor do we provide crisis counseling following a visit. If you have concerns about behavior or statements that have occurred in the session, you may request the notes and speak with your attorney and return to court. We take seriously any threats, grooming, and exploitation of the children and will act promptly to protect them in sessions.
10. Lengthy and frequent phone calls or emails following a visitation will be billed at the conference fee rate and you may be referred to therapy, counseling, mediation or returned to the court for additional assistance. We are not able to mediate difference between you and the other party.
11. Our policy is to hold our communication with parents through emails; the fees are at a reduced rate based upon emails rather than phone calls. We do not TEXT, we do not communicate typically through our cell phones; we use email to schedule appointments and brief information sharing.

By my initials I recognize that these items have been explained to my satisfaction and complete understanding \_\_\_\_\_.

- 12 I agree that my visitation file is not confidential and the court, DHS/CPS, my attorney, my children's attorney or the Guardian ad Litem, if one has been appointed, shall have full access to the file, and the on-going visit notes and I am responsible to pay all fees for sending these notes to these professionals.
- 13 I agree not to attempt to hide my conversation with my child(ren) by whispering or in any other manner. All conversation must be audible to the Monitor and in English.
- 14 I understand that I am responsible for my child(ren)'s behavior during a visit. If I cannot control my child the Monitor has the authority to terminate the visit.
- 15 I agree not to take photos or videotapes of my child(ren) during a visit unless there has been pre-arrangement with UCI and the other parent.
- 16 I understand that UCI may terminate its involvement in my case for any reason, including failure to strictly adhere to the visit schedule, excepting medical necessity for which I will produce certification. I know that the Court will be notified if this happens.
